

2 Author Index

The papers in this section cover the first two hundred years of the Society's *Transactions* and are arranged in alphabetical order under the name of the author; some papers were published anonymously and these are listed under **Anon**.

Notes on lay-out:

Bold Roman figures denote the volume of the Transactions. See list below.

* An asterisk at end of entry denotes joint authorship. Jointly authored papers are listed for each contributor separately, and listed together in the subject indices.

Abbreviations: A= Associate; F=Fellow; M=Member; P=President; Illus = an illustrated article; AAA&S = American Academy of Arts & Sciences; AICE = Associate of Institute of Civil Engineering; ALS/FLS = Associate/Fellow of Linnean Society (London); CEng = Civil Engineer; CPG = Certified Professional Geologist; FGS = Fellow of the Geological Society (London); FRPS, Edin = Fellow of the Royal Photographic Society, Edinburgh; FRS = Fellow of the Royal Society (London); MAIPG= Member of the American Institute of Professional Geologists; MCSM = Member, Camborne School of Mines; MIMM=Member of the Institution of Mining and Metallurgy (now IOM3 since 2002) NAS = National Academy of Sciences (USA).

Anon

Preface, containing stated objectives related to Science of the Society and List of Members, **I**: v-xviii

Note on the Positions of Fossils in Cornish Slates, as seen in the specimens in the Museum, **VII**: 348, 1860.

The Centenary Celebration, **XV**: 7-30, 1914.

Celebration of the Centenary of the death of Sir Humphry Davy in June 1929, **XVI**: 91-94, 1930.

Laws & Rules of the Society 1932, **XVI**: 231-243, 1932.

Astrup, John

Gulula Coal Field and its relation to the Coal Bearing Series of the Karroo System, **XVII**: 11-29, Illus, 1940.

Atkinson, Keith, BSc, PhD, CEng, MIMM, FGS

Hon Joint Editor, Transactions of the RGSC, **Vol XXI**, Parts 5 & 6.

Balchin, W G V, MA

The Geomorphology of the North Cornish Coast, **XVII: Pt 6**, 317-344, 1947.

The Denudation Chronology of South-West England [in] *Present views of some aspects of the geology of Cornwall and Devon*: 267-282, 1964.

Barham, T F, MD

Some Arguments in support of the opinion that the Iktis of Diodorus Siculus is St Michael's Mount, **III**: 86-11, 1828.

Some further observations on the Temperature of Mines, **III**: 150-165, 1828.

Some account of Ancient Circles, and other Remains on Botrea Hill, in the parish of Sancreed; with remarks on the Origin of Hill-Castles, **III**: 192-202, 1828.

Barclay, C F, AIMM

Some notes on the West Devon Mining District, **XVI**: 157-176, 1931.

Barnett, A K, FGS, Bolitho Gold Medal, 1906

Presidential Address for 1907, 1908. [See section 3 for subjects.]

Bather, Francis Arthur, FRS, PGS (Lyell Medal), AAA&S (Hon Foreign), NAS (Mary Clark Thompson Medal; Keeper, Natural History Museum (London))

The Discovery in West Cornwall of a Silurian Crinoid characteristic of Bohemia, **XIII**: 191-197, 1907.

Batstone, A E, BSc, PhD, FGS, RAF Sqdn/Ldr

The Structure and Tectonic History of the Tintagel-Davidstow area, **XIX**: 17-32, 1959.

Upper Devonian/Carboniferous Stratigraphy in the Boscastle area, **XIX**: 321-327, 1966.

Beche, H T De La see De La Beche, H T

Bell, A

On the Pliocene Shell-beds at St Erth, **XII**: 111-166, 1898.

Bell, R G

The Pliocene Beds of St Erth, **XI**: 45-50, 1887.

Boase, Henry (1763-1827) RSL; Co-Founder RGSC

On the Introduction of the Steam Engine to the Peruvian Mines, **I**: 212-223, 1818.

Observations on the Submersion of Part of the Mount's Bay; and on the Inundation of Marine Sand on the North coast of Cornwall, **II**: 129-144, 1822.

Boase, Dr Henry Samuel (1799-1883) MD, FRS, FGS

On the Tin-ore of Botallack and Levant, **II**: 383-403, 1822.

Some observations on the Alluvial Formations of the Western part of Cornwall, **III**: 17-34, 1828.

On the Sand-banks of the Northern Shores of Mount's Bay, **III**: 166-191, 1828.

Contributions towards a Knowledge of the Geology of Cornwall, **IV**: 166-474, 1832.

Bonney, Professor T G, DSc, FRS, FGS

On the Microscopic Structure of Trowlesworthite, **X**: 180-186, 1885.

Borlase, G S, FRS

Notice of some Records having reference to the Commencement of Copper mining in Cornwall and Devon, **IV**: 486-489, 1832.

Borlase, William C, MA, FSA

A new "tin scheme"; or, notes on manufactured articles of Pure Tin, **IX**: 229-235, 1877.

Bott, M H P

Recent Geophysical Studies in South-West England [in] *Present views of some aspects of the geology of Cornwall and Devon*: 25-44, 1964.*

Bowles, F J

Some recent Developments of Technical Education, **XII**: 611-620, 1895.

Brammall, A, PhD, MSc, Assoc Inst MM, RSM, London, Bolitho Gold Medal 1927

Notes on Fissure-phenomena and Lode-trend in the Dartmoor Granite, **XVI**: 15-27, Illus, 1928.

Bristow, Colin M, MSc, CGeol, CEng, Bolitho Gold Medal (2014, 2015)

Historical and Geological Aspects of the China Clay Industry of South-West England, **XXI**: Pt 6, 247-314, 1994.*

Brown, L G, BSc, ARSM, FGS

The Physical Geology of the China Clay Deposits of S W England, **XIX**: 185-198, 1962.

Budge, The Rev Edward, BA, RIC

On the Conglomerates and Raised Beaches of the Lizard district, **VI**: 1-11, 1841.

On the tract of land called the Lowlands, in the parish of St Keverne, **VI**: 59-63, 1842.

On Diluvial Action, as exemplified in the Gravel-beds and Sienitic formation of Crousa-Down, in the parish of St Keverne, **VI**: 91-98, 1843.

On the hornblende slate and other associated rocks of the Meneage district, **VI**: 173-180, 1844.

On the Granitic and other Associated Rocks of Cornwall and Devon, **VI**: 288-293, 1846.

Burch, C R, DSc, FRS

Tests of the Normality of Frequency Distributions of Na, K, SiO₂ and Cl in the Dartmoor Granite, **XX**: Pt 3, 179-198, 1970.

Burrow, J C, Pioneer photographer of mines and miners

Photography in Mines, **XI**: 621-633, 1895.

Butcher, N E, BSc, FGS

Excavations in the Upper Devonian and Carboniferous Rocks near Chudleigh, South Devon, **XX**: Pt 3, 199-220, 1970.*

Butt, F S

Observations in Iceland and Spitzbergen, **XVII**: 380-386, 1948.

Camm, G S, MSc, PhD, MCSM, CGeol, FGS, MAIPG, CPG

The Occurrence, Nature and Genesis of Wood Tin in South-West England, **XXI**: Pt 4, 153-212, 1987.*

Review of Cornish stanniferous placers with special reference to offshore placers of quaternary age on the South coast, **XXII**: 57-88, 1999.

Cann, F C, MIMM, Bolitho Gold Medal 1936

Presidential Address for 1935. [See section 3 for subject.]

Carne, Elizabeth C T, RCPS

On the evidence to be derived from Cliff Boulders, with regard to a former condition of the Land and Sea, in the Land's End district, **VII**: 369-378, 1860.

Enquiry into the Age of that part of the district of the Maritime Alps which surrounds Mentone, **VII**: 433-440, 1865.

On Transition and Metamorphosis of Rocks in the Land's End District, **IX**: 1-21, 1875.

Enquiry into the nature of the Forces that have acted on the Formation and Elevation of the Land's End Granite, ('On Granite' 1st read to Annual Meeting 30 Oct 1874, by the Curator, posthumously). Published **IX**: 132-151, 1875.

Carne, Joseph, FRS, FGS, President, Penzance Natural History & Antiquarian Society, Cambridge Philosophical Society (Hon)

On Elvan Courses, **I**: 97-106, 1818.

On the Discovery of Silver in the Mines of Cornwall, **I**: 118-126, 1818.

Notice relative to the Formation of Swimming Stone, **I**: 239-240, 1818.

Notice on Elvan Courses, **I**: 241, 1818.

On the Relative Age of the Veins of Cornwall, **II**: 49-128, 1822.

On the Mineral Productions, and the Geology of the parish of St Just, **II**: 290-358, 1822.

On the Period of Commencement of Copper Mining in Cornwall; and, on the Improvements which have been made in Mining, **III**: 35-85, 1828.

On the Singular State of some Ancient Coins lately found in the Sands of Hayle; and, on the evidence deducible from them relative to the period of the Earliest Deposition of Sand on the Northern coast of Cornwall. **III**: 136-149, 1828.

On the Granite of the Western part of Cornwall, **III**: 208-246, 1828.

Notice on the Work Performed by the Steam-engines in the Mines of Cornwall, **III**: 335-337, 1828.

A description of the Stream-work at Drift Moor, near Penzance, **IV**: 47-56, 1832.

An account of the Discovery of some Varieties of Tin-ore in a Vein, which have been considered Peculiar to Streams; with remarks on Diluvial Tin in general, **IV**: 95-112, 1832.

On the Pseudomorphous Minerals found in Cornwall Illustrative of a Replacement of One Material Substance by Another, **VI**: 24-31, 1841.

Additional contributions to the Mineralogy of the parish of St Just, **VI**: 47-49, 1841.

Notice of the Remains of a Submarine Forest in the North-eastern part of Mount's Bay, **VI**: 230-235, 1845.

On the Geology of the Islands of Scilly, **VII**: 140-154, 1850.

Notice of a Raised Beach lately discovered at Zennor, **VII**: 176-178, 1851.

Clarke, Rev B B, MA, MSc

The Coastal Morphology of the Padstow Peninsula (1959-60), **XIX**: 220-232, 1962.

The Superficial Deposits of the Camel Estuary and Suggested Stages in its Pleistocene history, **XIX**: 257-279, 1965.

Geomorphological features of Mother Ivey's Bay near Padstow, with an account of the Under-cliff Bank and Intertidal Reef of Cemented Limesand at Little Cove, **XX**: 69-79, 1968.

Quarternary features of Porth Mear Cove, North Cornwall, **XX**: Pt 4, 275-285, 1974.

Clayden, B

Soils of Cornwall [in] *Present views of some aspects of the geology of Cornwall and Devon*: 311-330, 1964.

Cleevely, R J, FLS

The Contributions of a Trio of Cornish geologists to the Development of 18th century Mineralogy, **XXII**: 89-120, 2000. [Note: Refers to Philip Rashleigh, John Hawkins and the Rev William Gregor.]

Colenso, John Williams 1789-1860, Mining agent

A description of Happy-Union Tin Stream-works at Pentuan, **IV**: 29-39, 1832.

Colenso, William, Esq (of Penzance), Bolitho Gold Medal 1923

Presidential Addresses for 1909; 1910. [See section 3 for subjects.]

Collins, Joseph Henry, FGS, Bolitho Gold Medal 1898

Presidential Addresses for 1903; 1904; 1911; 1912.

On the Trelissick Elvan, with a proposed Classification of the Cornish Elvans, **IX**: 221-228, 1877.

Preliminary note on the Stratigraphy of West Cornwall, Illus, **X**: 1-7, 1879.

On the Geological Structure of the Northern Part of the Meneage Peninsula, Illus, **X**: 47-57, 1879.

Note on the Occurrence of Stanniferous Deer-horns in the Tin-gravels of Cornwall, **X**: 98-100, 1880.

Note on the Supposed Serpentine of the Parish of St Veep, **X**: 101-102, 1880.

Note on certain illustrations of Sub-aerial Denudation due to changes of temperature, **XI**: 375-380, 1892.

A Working List of the Palaeozoic fossils of Cornwall, **XI**: 421-479, 1893.

Illustrations of Cornish fossils I, **XI**: 553-559, 1894.

Illustrations of Cornish fossils II, **XI**: 645-654, 1895.

Notes on Cornish fossils III, **XII**: 73-86, 1896.

Notes on Cornish fossils IV, **XII**: 65-70, 1897.

Notes on Cornish fossils in the Penzance Museum, **XII**: 233-240, 1899.

Notes on the principal lead-bearing lodes of the West of England, **XII**: 683-718, 1903.

Addenda to the working list of Cornish Palaeozoic fossils, **XIII**: 385-427, 1910.

Note and illustration of a fossil (*cf. Actinoceras Devonicans*) found at Rope Haven, St Austell Bay, and now in the Truro Museum, **XIII**: 573, 1913.

Observations on the West of England Mining Region, **XIV**: 1-683, 1912.

On the Topaz Rock of St Mewan Beacon, Cornwall, **XV**: 43-54, 1915.*

Coon, Joseph M, Bolitho Gold Medal 1925

Presidential Address of 1930. [See section 3 for subject.]

On China stone, Cornish stone, or Petuntzite, **XIII**: 561-572, 1913.

On the Topaz Rock of St Mewan Beacon, Cornwall, **XV**: 43-54, 1915.*

Note on a Concretionary Quartz Vein at Bloomdale China Clay Works, St Stephen-in-Brannel, Cornwall **XV**: 107-109, 1916.

On the Microscopical Determination of Cassiterite in sections, **XV**: 337-342, 1925.

Notes on a rapid survey of the Granite Area north of Oporto, Portugal, **XV**: 509-518, 1926.

Cataclastic Structure in a Greenstone Rock from Porthluney Cove, Cornwall, **XV**: 560-566, 1927.

Gneissic Rocks, **XVI**: 199-215, Photomicrographs illustrating, 1932.

Note on Banded Gabbro, **XVI**: 216-218, 1932.

Pseudomorphs of Cassiterite etc after Felspar at Wheal Coates, St Agnes, Cornwall, **XVI**: 297-310, Illus, 1933.

On a Granite Core or Cast found at North Goonbarrow China Clay Works, **XVII**: 48-51, 1937.

Cornish, J B, Bolitho Gold Medal 1924

Presidential Addresses for 1915, 1916. [See section 3 for subjects.]

Cornish, Thomas

Memorandum on the Discovery of Hazel-nuts in Tin Stream at St Hilary, (1st read to Annual Meeting 21 Oct 1870) Published **IX**: 98-99, 1875.

Corry, A V

The Sedimentary Rocks of Hayle Cliffs, with A S Makower, **XVI**, 66-74, 1929.*

Couch, Jonathan, FLS, Corresponding member

On the Cause of the Red Colour in the Fossiliferous Rocks in the neighbourhood of Looe, **VI**: 139-142, 1844.

On a supposed New Species of the Fossil, genus *Astræa*, found in Cornwall, **VII**: 244-245, 1854.

Description of the Fossils found in a quarry near Trelawny, in the parish of Pelynt, Cornwall, **VII**: 249-262, 1854.

Couch, Richard Quiller, RCPS, RGSC, PNHAS

On the Silurian Remains in the Strata of the South-east coast of Cornwall, **VI**: 147-149, 1844.

Report on the Fossil Geology of Cornwall, **VI**: 219-226, 1845.

Notes on the Fossil Corals of Cornwall, **VI**: 276-284, 1846.

Remarks on the Present State of the Geology of Cornwall, **VII**: 13-16, 1847.

Notice of the occurrence of the Horns and Bones of several species of deer in the Tin Works of Cornwall, **VII**: 185-192, 1851.

On the Fucoidal Appearances observed in the Cornish slates, **VII**: 193-197, 1852.

Notes on the Bones found in the Alluvial Deposits of Cornwall, **VII**: 233-235, 1854.

On the Zoology of the Post-tertiary Deposits of Cornwall, **VII**: 263-271, 1854.

Notes on the Foliation and Cleavage of the Cornish Slates, **VII**: 273-278, 1855.

The Silurian Fauna of Cornwall, **VII**: 300-308, 1856.

On the Slates of Cornwall, **VII**: 317-324, 1857.

Courtney, Sir Leonard Henry, 1832-1918, 1st Baron Courtney of Penwith

Presidential Addresses for 1882; 1883 [See section 3 for subjects]

Geology of the Massif Central, France, **X**: cxix, 1882.

Crick, George Charles, FGS

Note on some Fossil Cephalopoda from Cornwall, **XII**: 338-341, 1900.

Crook, Denise A, PhD

The Origins of the Royal Geological Society of Cornwall, **XXI**: Pt 5, 216-246, 1991.

Daniell, J

Geology of Porthglaze Cove, **XV**: 443-449, 1925.

Davey, John C, ACSM, MCIMM, Consulting Mining Engineer to the Government of Venezuela

Geology of the New Tolgus Shaft **XV**: 439-442, 1925.

Notes on the Occurrence and Origin of Turquoise in the Sinai Peninsula, **XVI**: 43-65, Illus, 1929.

Gold in some Mica-bearing Pegmatites of the Venezuelan Andes (1943-4), **XVII**: Pt **III**, 121-131, 1945.

Radio-active Minerals of the Venezuelan Andes (1946), **XVII**: Pt **6**, 313-316, 1947.

The Geology of South Tolgus Shaft (1947), **XVII**: Pt **7**, 361-367, 1948.

The Diamond Deposits of the Venezuelan Guayana (1947), **XVII**: Pt **7**, 387-397, 1948.

Davey, S

Notice of Pseudomorphous Crystals of Oxide of Tin, found in Huel Coates Mine, in St Agnes in the year 1828, **IV**: 484-485, 1832.

Davies, Alfred T

On some beds of Sand and Clay in the parish of St Agnes, Cornwall, (1st read to Annual Meeting 27 Oct 1876) Published **IX**: 196-204, 1877.*

Davison, E H, B Sc, FGS, Hon MIQ, Bolitho Gold Medal 1920

Presidential Address for 1933. [See section 3 for subject].

On the Geology of Castle-an-Dinas and Belowda Beacon, **XV**: 269-285, Illus, 1919.

On the Mode of Occurrence of Cassiterite in some Cornish rocks and veinstones, **XV**: 279-282, 1925.

On the Geology of St Michael's Mount, **XV**: 313-321, 1925.

Note on a Pegmatite from Carn Marth, **XV**: 333-336, 1925.

Note on an Alluvial Pebble from Nanpuska, near Gwinear, **XV**: 367-368, 1925.

Note on an Occurrence of Granite at Bridge, near Illogan, **XV**: 369-370, 1925.

A study of the Cornish Granite, its Variation and its relation, if any, with the Occurrence of Tin and other Metallic Ores, **XV**: 501-508, 1926. (Abstract): **XVI**: 11-13, 1928.

A study of the Cornish Granite, its Variation and its Relation with the Occurrence of Tin and other Metallic Ores, **XV**: 578-592, 1927.

The Cornish Pegmatites, (Abstract of paper read at Leeds Meeting of the British Association [BA]) **XVI**: 13-14, 1928.

The Geology and Economics of the China Clay Deposits of the West of England, [delivered to the BA at Glasgow, 1928] **XVI**: 113-116, 1930.

The Geology of the Gold River Area, Nova Scotia, **XVI**: 117-121, Photos, 1930.

The Genesis of Cassiterite in Cornish Lodes, **XVI**: 323-330, 1935.

The Leaching of Granite and some other rocks, **XVII**: 30-34, 1940.

Davy, Sir Humphry, Bt, PRS

Hints on the Geology of Cornwall, **I**: 38-50, 1818.

Four hitherto unpublished geological lectures given by Sir Humphry Davy in 1805, See Introduction and Notes by A Ospovat, **XXI**: Pt 1: 22-90

Davy, Dr John, MD

An account of some Granite Veins at Porth Just, near Cape Cornwall, **I**: 20-26, 1818.

Dearman, W R, PhD, ARCS, FGS

Lode Trend from Dartmoor to Bodmin Moor and the Shape of the Buried Granite Ridge, **XIX**: 280-285, 1965.

The Shape of the Mineral Deposits in the Lower Culm Measures of North-west Dartmoor, **XIX**: 286-296, 1965.*

Tectonics and Granite Emplacement on the North-west Margin of Dartmoor, Devonshire, **XX**: Pt 1: 45-64, 1966.

De La Beche, Sir Henry T, FRS

On Estuaries and their Tides, **VI**: 211-218, 1844.

See Sir Kingsley Dunham below for 150th anniversary of the publication of De La Beche's "Report on the Geology of Cornwall, Devon and Somerset (1839).

Dewey, H, FGS, Bolitho Gold Medal, 1914

The Flint Implements of North Cornwall and their Relationship to Local Earthworks, **XIII**: 457-465, 1911.

On Spilositites and Adinoles from North Cornwall, **XV**: 71-84, 1915.

Dines, H G, FGS, ARSM, A Inst MM, Bolitho Gold Medal 1933

The Lateral Extent of Ore-shoots in the Primary Depth Zones of Cornwall, **XVI**: 279-296, Illus, 1933.

Dunham, Sir Kingsley KB, FRS, FEng

Foreword [relating to 175th anniversary of the Society and the 150th anniversary of the publication of De La Beche's "Report on the Geology of Cornwall, Devon and Somerset"], **XXI**: Pt 5, 213-215, 1991.

Eddy, Henry

On the Mines of the Province of Rio Grande Do Sul, Brazil, **X**: 157-160, 1883.

Eddy, S

On the Geology of Grassington Mines near Skipton, in Yorkshire, **VI**: 186-189, 1844.

Edmonds, Richard, RCPS

Notice of a Granite Vein discovered in the Herland Mine, **III**: 332, 1828.

An account of an Extraordinary Movement of the Sea in Cornwall, in July 1843, with notices of similar movements in previous years, and also of earthquakes which have occurred in Cornwall, **VI**: 111-121, 1843.

On Remarkable Lunar Periodicities in earthquakes, oscillations of the sea, and great atmospheric changes, **VI**: 196-210, 1844.

Lunar Periodicities in Earthquakes, and great atmospherical changes; also, some remarkable hygrometrical facts connected with recent earthquakes, **VI**: 259-264, 1845.

On the Origin of the Sand-hillocks of St Ives Bay, Whitesand Bay, and Mount's Bay, **VI**: 301-304, 1846.

On the Rapid Diminution of the Sand-banks in Mount's Bay, **VII**: 31-33, 1847.

Notice of Land Shells found beneath the Surface of Sand-hillocks on the Coasts of Cornwall, **VII**: 70-71, 1848.

On Earthquakes: their contemporaneous occurrence in very distant localities; and their connexion with remarkable states of the atmosphere, **VII**: 164-167, 1850.

An account of an Earthquake-shock on 30th of May, 1855, and of an extraordinary agitation of the sea on the 6th of June, 1855, in Penzance, with observations on the cause of the latter, **VII**: 279-284, 1855.

An account of the Extraordinary Agitations of the sea in the West of England, on the 25th and 26th of June and the 4th of October, 1859, with notices of the Earthquake-shocks in Cornwall on the 11th November, 1858, and the 21st of October, 1859, **VII**: 355-368, 1860.

An account of the Earthquake-shock in Cornwall on the 13th January, 1860, **VII**: 381-387, 1860.

On Earthquake Sea Waves, (1st read to Annual Meeting 5 Nov 1869) by R Edmonds of Plymouth.

Edwards, R P, BSc, MSc, CEng, MIMM

Recent Advances in Concepts of Ore Genesis in South West England, **XXI**: 113-152, 1985.*

Elliott, John C, BSc, ARICS

Co-Editor, *Transactions of the RGSC*, Vols **XX-XXI** (9 parts).

El Sharkawi, M A H, PhD

The Shape of the Mineral Deposits in the Lower Culm Measures of North-West Dartmoor, **XIX**: 286-296, 1965.*

Enys, John Davies, FGS, Bolitho Gold Medal, 1904

Presidential Addresses for 1897; 1898 [See section 3 for subjects.]

On the Action of Wind and Sand in Cutting Stone, Illus of specimens from New Zealand, **XI**: 533-535, 1894.

Evans, W D, PhD, MSc, FLS, FGS

Mineralogical Aspects of Pneumoconiosis, **XVIII**: 357-378, Illus, 1952.

Everard, C E, MSc, FGS

Mining and Shore-line Evolution near St Austell, Cornwall (1959-60), **XIX**: 199-219, 1962.

The River Fal: A Cornish River Capture? **XX**: Pt 3, 221-229, 1970.

Raised Beaches and Marine Geomorphology [in] *Present views of some aspects of the geology of Cornwall and Devon*: 283-310, 1964.*

Exley, C S, DPhil, CGeol

The Granitic Rocks of South-west England [in] *Present views of some aspects of the geology of Cornwall and Devon*: 131-184, 1964.*

Historical and Geological Aspects of the China Clay Industry of South-West England, **XXI**: Pt 6, 248-314, 1994.

Flower, W H

Historical and Geological Aspects of the China Clay Industry of South-west England, **XXI**: 247-314, 1994.*

On the Bones of a Whale found at Pentewan, now in the Museum of the Royal Geological Society of Cornwall, (1st read to Annual Meeting 25th Oct 1872, by Dr C Le Neve Foster) Published **IX**: 114-121, 1875.

Floyd, P A, PhD, FGS

Distribution of SiO₂, the Alkalis, total Fe and Mg in the Granitic Plutons of Devon and Cornwall, **XX**: 21-44, 1968.

Forbes, Dr John 1787-1861, later Sir John Forbes, FRS

On the Temperature of Mines, **II**: 159-217, 1822.

On the Geology of the Land's-End District, **II**: 242-280, 1822.

On the Geology of St Michael's Mount, **II**: 366-375, 1822.

Foster, Sir Clement Le Neve, FRS, DSc, FGS, Bolitho Gold Medal, 1900

Presidential Addresses for 1901, 1902 [See Section 3 for subjects].

Remarks on the Lode at Wheal Mary Ann, Menheniot, **IX**: 152-157, 1875.

On the Place and Mode of Occurrence of the Mineral Andrews site, (1st read to Annual Meeting 30 Oct 1874) Published **IX**: 163-164, 1875.

Remarks upon the Tin deposits of East Wheal Lovell, (1st read to Annual Meeting 29 Oct 1875) Published **IX**: 167-176, 1875.

Remarks on some Tin lodes in the St Agnes district, (1st read to Annual Meeting 27 Oct 1876) Published **IX**: 205-219, 1877.

On a Rock resembling Luxullianite from St Just; and on some Globular Masses of Schorl-rock from Ding Dong Mine, **X**: 8-9, 1879.

Observations on Balleswidden Mine, **X**: 10-17, 1879.*

Notes on the Van Mine, Illus, **X**: 33-46, 1879.

On the Occurrence of Cobalt Ore in Flintshire, Illus, **X**: 107-112, 1882.

Notes on Aberllefenny Slate Mine, Illus, **X**: 169-174, 1883.

An Emanation of Carbonic Acid Gas at Foxdale Mine, in the Isle of Man, **X**: 175-176, 1883.

Note to Accompany a Specimen of Native Gold from Leadville, Colorado, **X**: 220-221, 1885.

Fox, Alfred Lloyd, of Glen Durgan

On Some Fossils from Mount Lebanon, (1st read to Annual Meeting 5 Nov 1869, when presented to the Museum) Published **IX**: 46-48, 1875.

Fox, Charles, of Trebah, FGS

Tooth and Fragments of Bones of Hippopotamus, from the neighbourhood of Constantine in Algeria, **IX**: 26-30, 1875.

On a Diamond Field, West Griqualand, South Africa, (1st read to Annual Meeting 29 Oct 1875) Published **IX**: 165-166, 1876.

Presidential Addresses for 1864; 1865; 1866; 1867, under the general title of 'Summary of geological knowledge'. [See section 3 for the roster of topics covered.]

Fox, The Rev F C

By-ways in the History of the Society (1943-4), **XVII: Pt III**, 109-120, 1945.

The Royal Geological Society of Cornwall and Fossils (1945), **XVII: Pt 5**, 247-255, 1947.

Fox, Howard, FGS, Bolitho Gold Medal 1897

Presidential Addresses for 1893; 1894.

On the Occurrence of Volcanic Tuffs, Breccia, etc., in the Meneage district, Illus, **X**: 189-203, 1885.*

On the Junction of Hornblende Schist and Serpentine in the Ogo Dour district, and on the occurrence of some Bands of Potstone north of Pol Cornick, with Mr. Teall's notes thereon, **XI**: 213-220, 1890.

On the Micaceous Schists of the Penolver district (The Lizard), **XI**: 327-333, 1891.

The Cavouga Boulder, **XI**: 334-335, 1891.

Picotite in Serpentine, **XI**: 336-337, 1891.

On some Fossils from the coast sections in the parishes of Padstow and St Merryn, **XI**: 634-644, 1895.

On some Nodular Concretions, resembling Fossil Wood and Fossil Fish, Treworden Wood, Launceston, **XI**: 684-686, 1895.

Notes on the Cherts and Associated Rocks of Roundhole Point (Permizen Point), Cataclews Point, and Dinas Head, west of Padstow, **XI**: 687-724, 1895.

The Radiolarian Cherts of Cornwall, **XII**: 39-70, 1896.

Supplementary notes on the Cherts and associated rocks of Roundhole Point, Cataclews Point and Dinas Head, **XII**: 71-72, 1896.

On a Nodule of Flint containing Liquid, **XII**: 177-178, 1898.

Notes on Veryan and other Limestones associated with Radiolarian Cherts in South Cornwall, **XII**: 179-184, 1898.

Supplementary notes on the Cornish Radiolarian Cherts and Devonian Fossils, **XII**: 278-282, 1899.

Geological notes [on Fossils in Cornwall], **XII**: 342-361, 1900.

Gunwalloe, **XII**: 434-437, 1901.

On the Distribution of Fossils on the north coast of Cornwall south of the Camel, **XII**: 535-545, 1902.

Some Coast Sections in the parish of St Minver, **XII**: 649-682, 1903.

Supplementary notes on some Coast Sections in the parish of St Minver, **XII**: 747-752, 1904.

Geological Notes No. 2: Supplementary notes on the Distribution of Fossils on the north coast of Cornwall south of the Camel; Cornish Radiolarian Cherts; On a Lenticular Vein or enclosure of "sugary quartz" in Hornblende Schist; Slide E3894; Gunwalloe, **XII**: 753-759, 1904.

Further notes on the Devonian Rocks and Fossils in the parish of St Minver, **XIII**: 33-87, 1905.

The Variegated Slates of North Cornwall, **XIII**: 127-134, 1906.

Trilobite in the Veryan Quartzite, **XIII**: 233-236, 1908

Fox, Robert Were Jr, FRS, Penjerrick

On the Temperature of Mines (in two parts), **II**: 14-28, 1822.

Some further observations on the Temperature of Mines, **III**: 313-328, 1828.

Some observations on the Metalliferous Veins, and their Electromagnetic Properties, **IV**: 21-28, 1832.

Notice of a Vegeto-metallic Specimen found near Falmouth, **VI**: 76, 1842.

Frecheville, R J, AICE, FGS

Description of Besshi Copper Mine, in Japan, **X**: 113-119, 1882.

Notes on the Great Main Lode of Dolcoath, Cook's Kitchen, Tincroft, and Carn Brea Mines, Illus, **X**: 146-156, 1883.

The Umber Deposits of Ashburton, **X**: 217-219, 1885.

Fryer, G

Evolution of the Land Forms of Kerrier, **XIX**: 122-153, 1960.

Garby, J

Observations on the Condurrite and Native Copper, as found at Wheal Druid, **VI**: 194-195, 1844.

Notice of the Occurrence of Gold in a cross-course in Cornwall, **VI**: 265-266, 1845.

A Catalogue of Minerals found in Cornwall, with their localities, **VII**: 72-92, 1848.

Garceau, G A, FGS, Bolitho Gold Medal 1953

A new altered Igneous Breccia between Rumps Point and Com Head, North Cornwall, **XX**: 19-20, 1968.

Garland, Joseph, FGS

On the Rock-Salt and Carnallite Deposits of Stassfurt and neighbourhood, near Magdeburg, **X**: 18-32, 1879.

On the Nickeliferous Pyrites of Berg Nickel Mine, in the Island of Senjen, Norway, **X**: 161-164, 1883.

Copper Mining at Tilt Cove, Newfoundland, **X1**: 99-104, 1888.

Gilbert, John

Notice of a Vugh in St Ives Consuls Mine, (1st read to Annual Meeting 30 Oct 1874) Published **IX**: 158-160, 1875.

Giles, J

On the Fossiliferous Rocks of the Lizard district, **VII**: 93-99, 1849.

On the Geology of the neighbourhood of Liskeard, **VII**: 155-160, 1850.

On the Geology of the Liskeard district, **VII**: 169-174, 1851.

On the Metalliferous Association of the Liskeard rocks, **VII**: 198-207, 1852.

Greatheed, S

On the knowledge and commerce of Tin among ancient nations, **II**: 359-365, 1822.

Green, D H

A re-study and re-interpretation of the Geology of the Lizard peninsula, Cornwall [in] *Present views of some aspects of the geology of Cornwall and Devon*: 87-114, 1964.

Green, Upfield, FGS, Bolitho Gold Medal 1907

On some new and peculiar Fossils from the Lower Devonians of the south coast of Cornwall, **XII**: 227-228, 1899.

On the Geological Structure of Western Cornwall, **XIII**: 284-296, 1909.

Gregor, Rev William 1761-1817, discoverer of titanium

Observations on a remarkable change which Metallic Tin undergoes, under peculiar circumstances, and on its partial conversion into a Muriate of Tin, **I**: 51-59, 1818. [posthumous]

[Notice on] Kupfer-Nickel, **I**: 224-225, 1818. [ph]

Notice of the Analysis of Zinc Ore from Huel Ann, **III**: 338, 1828. [ph]

Gregory, Maurice, MIMM

Production of Radium in Cornwall, **XVII: Pt 6**, 306-312, 1947.

The Geology and Mineralisation of Minas Geraes, Brazil (1948), **XVII: Pt 8**, 476-492, 1949.

Grice, C V Le - see under **Le Grice, C V**

Gullick, C F W R, BLitt, MA

A Physiographical Survey of West Cornwall, **XVI**: 380-399, fold-out illustrations, 1936.

Hamilton, J R, BSc, ARSM, CEng, MIMM

Notes on the Geology of Pendarves Mine, **XX**: Pt 4, 290- 296, 1974.

Hardie-Budden, K M, MBE, AB, PhD, FLS, FRSA

Hon Editor, **XXIII**, Pt 1, 2014-

Elizabeth Catherine Thomas Carne: A 19th century Hypatia and her circle, **XXIII**: 16-39, Illus, 2014.

Joint Editor, *Bibliography of Transactions and publications of the RGSC*, 2016.

Harman, F E

The Cerros of Farnatina, **XI**: 163-174, 1889.

Hawkins, Sir Christopher, FRS

[Notice] Observations on Gold found in the Tin Stream Works of Cornwall, **I**: 235-236, 1818.

Hawkins, John, FRS

On Submarine Mines, **I**: 127-142, 1818.

On some remarkable phenomena attending the Lodes of Polgooth Tin Mine, **I**: 143-153, 1818.

On a Process of Refining Tin, **I**: 201-211, 1818.
 Queries proposed to Captains of Mines, and other persons connected with the practical part of mining, **I**: 242-245, 1818.
 Queries respecting Lodes, First series; Second series, **I**: 246-249, 1818.
 On some advantages which Cornwall possesses for the Study of Geology, and on the use which may be made of them, **II**: 1-13, 1822.
 On the Stratified Deposits of Tin-stone, called Tin-floors, and on the diffusion of tin-stone through the mass of some primitive rocks, **II**: 29-48, 1822.
 On the Nomenclature of the Cornish Rocks, **II**: 145-158, 1822.
 On the Phenomena of Intersected Lodes, and the legitimate inferences which may be drawn from them, **II**: 225-231, 1822.
 On the Intersection of Lodes in the direction of their dip or underlie, **II**: 232-241, 1822.
 Observations on the Alluvial Strata at Porth, Sandrycock, and Pentuan, **II**: 285-289, 1822.
 On some instances of the Alternate Disposition of the Primitive Strata, which have been observed in Cornwall, **II**: 376-382, 1822.
 On the Changes which appear to have taken place in the Primitive Form of the Cornish Peninsula, **III**: 1-16, 1828.
 On the Intercourse which subsisted between Cornwall and the commercial states of antiquity; and on the state of the Tin-trade during the middle ages, **III**: 113-135, 1828.
 On the Produce of the copper mines of Europe and Asia, and particularly those of Armenia, **III**: 256-312, 1828.
 Some general observations on the Structure and Composition of the Cornish Peninsula, **IV**: 1-20, 1832.
 Some Observations made in Cornwall, in the summer of 1829, **IV**: 40-46, 1832.
 On the state of our Tin Mines, at different periods, until the commencement of the eighteenth century, **IV**: 70-94, 1832.
 On a very singular deposit of Alluvial Matter on St Agnes Beacon, and on the Granitical Rock which occurs in the same situation, **IV**: 135-144, 1832.
 Some account of the soft Grown at Beam Mine, in the parish of Roche, and at Carclaze Mine, in the parish of St Austle [sic], **IV**: 475-480, 1832.
 Some account of the Porcelain Earth found in the Kingdom of Saxony and the Principality of Passau and of the circumstances under which it occurs; collected from German publications, **VI**: 32-40, 1841.
 A sketch of the Origin of Mining Laws in Europe, **VI**: 84-90, 1843.

Hendriks, Miss E M L, BSc, PhD, DIC, FGS, Bolitho Gold Medal 1949

Serpentine from Gerrans Bay, **XV**: 519-525, 1926.
 The Gramscatho series, **XVIII**: 50-64, 1950.
 Geological Succession and Structure in western South Devonshire, **XVIII**: 255-308, 1952.
 Facies Variations in relation to Tectonic Evolution in Cornwall, **XX**: Pt 2, 114-151, 1968.

Henley, S, BSc, PhD

Chemical Analysis of a Spilitic Dyke south of Newquay, Cornwall, **XX**: Pt 3, 227-229, 1970.
 Rediscovery of a Granite Dyke at Perranporth, Cornwall, **XX**: Pt 4, 286-289, 1974.

Henwood, W J, FRS, FGS, Penzance

On a Singular Exudation of Gas in the Union Mines, **III**: 203-207, 1828.

Notice of some circumstances connected with the Heave of a Copper Lode by a Flucan Vein, in the Consolidated Mines, Gwennap, **III**: 329-331, 1828.

On some of the Deposits of Stream Tin-ore in Cornwall, with remarks on the theory of that formation, **IV**: 57-69, 1832.

On the Manipulations to which the Ores of Tin and Copper are subjected in the central mining district of Cornwall, **IV**: 145-165, 1832.

On the Metalliferous Deposits of Cornwall and Devon, **V**: 1-387, 1843.

Observations on Subterranean Temperature in the Mines of Cornwall and Devon, **V**: 387-412, 1843.

On the Quantities of Water which enter the Cornish mines, **V**: 413-444, 1843.

On the Electric Currents observed in Rocks and Veins, **V**: 445-460, 1843.

Statistical notices of the Mines in Cornwall and Devon, **V**: 461-482, 1843.

Descriptive notes of the Morro Velho Mine, Province of Minas Geraës, and on the relations between the structure of the containing rocks and the directions of the shoots of Gold in the Brazilian mines, **VI**: 143-146, 1844.

Notice of the Itabira and Santa Anna Mines, in Brazil, **VI**: 227-229, 1845.

Notice of the Descoberta Gold Mine, in Brazil, **VI**: 294-295, 1846.

Description of the Brazilian method of washing (dressing) gold, **VII**: 69, 1848.

Observations on the Providence Mines, **VII**: 179-184, 1851.

On the Geological associations of Tellurium, **VII**: 228-229, 1855.

Observations on Metalliferous Deposits, **VIII**: 1-722, 1871.

Observations on Subterranean Temperature, **VIII**: 723-784, 1871.

Higgs, Samuel, jun, FGS, Penzance

Notice of the Copper Mines at Alderley Edge, Cheshire, **VII**: 325-326, 1857.

Notice of a Singular Specimen much resembling Chalk Flint, found in the Balleswidden Mine, St Just, **VII**: 449-450, 1865.

Notice of an Accumulation of Carburetted Hydrogen, or "Fire Damp", in the Ding Dong Mine, situated in the parish of Madron, near Penzance, **IX**: 34-37, 1875.

Some remarks on the Mining District of Yorke's Peninsula, South Australia, (1st read to Annual Meeting 25th Oct 1872, by the Secretary) **IX**: 122-131, 1875.

Hill, J B, FGS, Bolitho Gold Medal, 1913

The Lower Palaeozoic rocks of the South of Scotland, viewed in connection with the Lower Palaeozoic Rocks of Cornwall, **XII**: 258-277, 1899.

On some geological structures in West Cornwall, **XII**: 403-430, 1901.

The Plutonic and other Intrusive Rocks of West Cornwall in their relation to the Mineral Ores, **XII**: 546-615, 1902.

Hingston, T

On the use of Iron among the early Nations of Europe, **IV**: 113-134, 1832.

Hitchcock, H D, MA

The Origins of the Surface Relief in the area of Carnmenellis, Cornwall, **XX**: 152-162, 1968.

Hosking, K F G, MSc, PhD, DSc (Lond), CEng, FIMM, ACSM (Honoris Causa), Bolitho Gold Medal 1952

Fissure Systems and Mineralisation in Cornwall, **XVIII**: 9-49, 1950.

Oxidation phenomena of the Cornish Lodes, **XVIII**: 120-145, 1951.

Primary Ore Deposition in Cornwall, **XVIII**: 309-356, 1952.

Cornish Pegmatites and bodies with Pegmatite affinities, **XVIII**: 411-455, 1954.

The Vein System of St Michael's Mount, Cornwall, **XVIII**: 493-509, 1957.

The Significance of the Variable Iron content of the "Wolframites" of the West of England, **XVIII**: 526-534, 1957.*

Applied Geochemistry: Studies in Cornwall, **XIX**: 52-83, 1959.

A Re-examination of an alleged Stanniferous Deer's-horn from the Cornish Tin-bearing Alluvials, **XIX**: 154-161, 1960.

Permo-carboniferous and later Primary Mineralisation of Cornwall and South West Devon [in] *Present views of some aspects of the geology of Cornwall and Devon*: 201-245, 1964.

Chemical Characteristics of the Cements of the Godrevy 10ft raised beach and of certain deposition pipes in the St. Agnes Pliocene deposits, Cornwall, **XIX**: 328-349, 1966.*

The Distribution of Tin and certain other 'heavy' metals in the superficial portions of the Gwithian/Hayle beach of West Cornwall, **XIX**: 351-392, 1966.*

The Occurrence, Nature and Genesis of Wood Tin in South-West England, **XXI**: Pt 4, 153-212, 1987.*

House, Professor M R, MA, PhD, FGS

Palaeozoic Palaeontology in Devon and Cornwall [in] *Present views of some aspects of the geology of Cornwall and Devon*: 45-86, 1964.*

Excavations in the Upper Devonian and Carboniferous rocks near Chudleigh, South Devon, **XX**: Pt 3, 199-220, 1970.*

Hunt, R

A Contribution to the Theory of Mineral Veins, **IX**: 22-25, 1875.

Isaac, K P, B Sc, F G S

Hercynian Regional and Contact Metamorphism in Upper Devonian and Lower Carboniferous Metasediments in the Launceston and Lydford area of South West England, **XXI**: Pt 2, 97-112, 1982.

James, C C

Mine Temperatures in West Cornwall, **XVII**: Pt III, 164-173, 1945.

Great Wheal Vor, (14 April 1945) **XVII**: Pt 4, 194-207, 1946.

Uranium ores in Cornish mines, **XVII**: Pt 5, 256-268, 1947.

Paricutin, (1947) **XVII**: Pt 7, 368-379, 1948.

James, H C L, BA, PhD, PGCE

Problems in Dating Raised Beaches in South Cornwall, **XX**: Pt 4, 260-274, 1974.

The Coastal Palaeo-Morphology of West Cornwall with particular reference to Shore (wave-cut) Platforms, **XXII**: Pt 4, 121-144, 2003.

James, R

Note on a Granite Block at Halamanning, **IX**: 101-102, 1875.

James, S

Presidential address for 1923 (publ 1925). [See section 3 for subjects.]

Jarvis, D N

Study of Cornish elvans, with B O Rees, **XVI**: 75-76, Table, 1929.*

Jeffery, R

Study of an Elvan Dyke, **XV**: 451-458, 1925.*

Jennings, J

Notes on the Heaves of the Great Lode of East Pool and Agar, **XIII**: 535-538, 1912.

Kingsbury, A W G, FGS, Bolitho Gold Medal 1957

New Occurrences of Rare Copper and other Minerals, **XVIII**: 386-406, 1954.

A new occurrence of Fluellite in Cornwall, and its Paragenesis, **XIX**: 42-51, 1959.

Some Minerals of special interest in South-West England [in] *Present views of some aspects of the geology of Cornwall and Devon*: 247-266, 1964.

Kitto, Benedict K, FGS

On some Beds of Sand and Clay in the parish of St Agnes, Cornwall, (1st read to Annual Meeting 27 Oct 1876) Published **IX**: 196-204, 1877.*

Lamb, C G

Note on the Occurrence of a Fossil Tree at Porthmeor, St Eval, **XIII**: 299-300, 1909.

Lawrence, J, BSc

Some Caves in St Selevan parish, **XVII Pt 8**: 493-496, 1949.

The Drift of Sand in West Penwith Coves, **XVIII**: 105-109, 1950.

Lawrence, R H

Raised Beaches and Marine Geomorphology [in] *Present views of some aspects of the geology of Cornwall and Devon*: 283-310, 1964.*

Ledger, R, BA

Beach Erosion at Bude, North Cornwall, **XIX**: 393-406, 1966.

Lees, P.B.

On the Geological History of William's Load in King Edward Mine, Camborne, **XIII**: 611-641, 1914.

Leese, C E, BSc, Bolitho Gold Medal 1947

Theories of the Earth - The rise of modern geology, **XVI**: 95-112, 1930.

Transported Boulders in South East Cornwall, **XVI**: 150-156, Illus, 1931.

The Rock Basins on the Tors of Cheesewring and Roughtor, Illus, **XVI**: 219-226, 1932.

Notes on Delabole Slate Quarry, **XVII**: 41-47, 1937.*

Le Grice, The Rev Charles Valentine (1773-1858) Vicar of Madron

Notice of an Ancient Smelting Place of tin, generally called a Jew's House, lately discovered on the estate of Trereife, near Penzance, **VI** 43-46, 1841.

LeGrice, Day Perry (1800-1881) JP, High Sheriff, Warden of the Stanneries

Presidential Address of 1862, in absence of A Smith. [See Section 3 for subjects]

Lemon, Sir Charles, 2nd Bart (1784-1868) FRS, FSS, MP, PRCPS, PRGCS, Carclew Observations on the Mining laws of Germany and some other countries, **VI**: 150-156, 1844.

On the Mining laws of France, **VI**: 238, 1845.

On certain peculiarities in the old Mining laws of Mendip, **VI**: 327-333, 1846.

Notice: On a Stump of a Tree found in cutting a drain at Heligan, **VII**: 28-30, 1847.

Presidential Addresses for 1843; 1845; 1846; 1847; 1848; 1850 [See Section 3 for subjects]

Le Neve Foster, C see under **Foster, C Le Neve**

Linford, W

Notes on some Fossils found at Bude, (1st read to Annual Meeting 29 Oct 1875)
Published **IX**: 182-183, 1876.

Linné, H F

Note on a newly discovered Elvan Outcrop on Carn Brea, **XV**: 311-312(2), 1925.

Lowe, Harford J, FGS, Bolitho Gold Medal, 1915

Natrolite from the Coverack district, **XII**: 336-337, 1900.
The Sequence of the Lizard rocks I, **XII**: 438-466, 1901.
The Sequence of the Lizard rocks II, **XII**: 507-534, 1902.
Geologists' Association at the Lizard, **XV**: 110-118, 1916.

Lucas, M, BA

Uranite Concentrate from South Crofty Mine, Camborne, Cornwall, **XIX**: 113-115, 1960.*

MacAlister, D A, FGS, Bolitho Gold Medal 1918

A Cross-section and some notes on the Tin and Copper Deposits of Camborne, with special reference to the limits of productive ore ground, **XII**: 773-795, 1904.
On a Microscopic Section of Quartzite containing Tin, from Bolivia, **XIII**: 198-199, 1907.

Maddern, T

A new deep Well [at Sheffield, Paul], **XIII**: 301-303, 1909.

Majendie, Sir Ashurst, Co-Founder RGSC, FRS, FGS

Notes on the Coast west of Penzance, and on the Structure of the Scilly Islands, **I**: 27-31, 1818.
A sketch of the Geology of the Lizard District, **I**: 32-37, 1818.
[Notice] On Stalactites, **I**: 226, 1818.
Contributions towards a Knowledge of the Geological History of Wood Tin, **I**: 237-239, 1818.

Makower, A S

The Sedimentary Rocks of Hayle cliffs, with A V Corry, **XVI**: 6-74, Photos & drawings, 1929.*

Menadue, K J, BA, ACSM, FIQ, FIMM, CEng

Preface [relating to the reopening of the Museum], **XXII** 1, 1996.

Michell, J

Notice of the Analysis of Copper Ore found at Huel Falmouth, which appears very much like the Buntkupfererz of Werner, **III**: 338, 1828.
On the Argentiferous Lead Mines of the Sierra Almagrera, on the south-east coast of Spain, **VI**: 308-315, 1846.

Millet, J N R

Notice of Pseudomorphous Crystals of Quartz lately found in the St Ives Consols Tin Mine, **VI**: 77-78, 1842.

Millett, Fortescue William, FRMS, Bolitho Gold Medal 1899

Notes on the Fossil Foraminifera of the St Erth Clay Pits, **X**: 213-216, 1885.

Additional notes on the Foraminifera of the St Erth Clay, **X**: 222-226, 1886.
On the Abrading Action of a Stone kept in Motion by a Current of Water, **X**: 227-228, 1886.

The Foraminifera of the Pliocene Beds of St Erth, **XI**: 655-661, 1895.

The Foraminifera of the Pliocene Beds of St Erth in Relation to those of other Deposits, **XII**: 43-46(2), 1897.

Additions to the list of Foraminifera from the St Erth Clay, **XII**: 174-176, 1898.

Notes on the *Faujasinae* of the Tertiary Beds of St Erth, **XII**: 719-720, 1903.

Mitchell, G F

Glacial Gravel on Lundy Island, **XX**: 65-68, 1968.

Moore, E

On the Fossils of Crownall Bay, Plymouth, **VI**: 285-287, 1846.

Moyle, M P

On the Temperature of the Cornish mines, **II**: 404-415, 1822.

Included in *The Annals of Philosophy*, Vol 8, Article IX, 1824.

Murchison, Sir Roderick I, KCB, GC, FRS, LS, GS

A brief review of the Classification of the Sedimentary Rocks of Cornwall. **VI**: 317-326, 1846.

Nance, Robert Morton 1873-1959, Cornish language authority, Co-founder, Old Cornwall Society

Geological Terms used in S W England, **XIX**: 33-41, 1959.*

Newton, R

Notice on the St Agnes Beacon, **VI**: 354-356, 1846.

Nicholas, W

Notes on the Quartz reefs, or Lodes of Sandhurst, Victoria, Australia, **IX**: 78-97, 1875.

Ong, P M

The Distribution of Tin and certain other 'heavy' metals in the superficial portions of the Gwithian/Hayle Beach of West Cornwall, **XIX**: 351-392, 1966.*

Ospovat, Professor A M, PhD, Oklahoma State University, Stillwater, Okla

Four Hitherto Unpublished Geological Lectures given by Sir Humphry Davy in 1805 from manuscripts belonging to the Royal Geological Society of Cornwall, with introduction and notes, **XXI**: Pt 1, 1-96, 1978.

Owen, D E, PhD, BSc, FGS, Bolitho Gold Medal 1951

Carboniferous Deposits in Cornubia, **XVIII**: 65-104, Illus, 1950.

Page, C N, BSc, PhD, FLS, Bolitho Gold Medal 2016

Editor, *Transactions of RGSC*, Vol XXII, Pt 2, 1999-2014

Making links, processes, dynamics and systems. Retiring editor's comments, **XXIII**: 2-3, 2014.

Paris, John Ayrton, MD, FLS, Co-Founder RGSC

On a recent Formation of Sandstone, occurring in various parts of the northern coasts of Cornwall, **I**: 1-19, 1818.

On the Accidents which occur in the Mines of Cornwall, in consequence of the premature explosion of gunpowder in blasting rocks, and on the methods to be adopted for preventing it, by the introduction of a Safety Bar, and an instrument termed the Shifting Cartridge, **I**: 78-96, 1818.

Observations on the Geological Structure of Cornwall, with a view to trace its connexion with, and influence upon its Agricultural Economy, and to establish a rational system of Improvement by the scientific application of Mineral Manure, **I**: 168-200, 1818.

[Notice] Gregorite (Menacchanite) discovered at Lanarth, **I**: 226-227, 1818.

[Notice] On the Formation of a Substance, resembling Gneiss, taken from a Steam Boiler at Huel Alfred, **I**: 227-229, 1818.

[Notice] A new Substance, found accompanying "Welsh Culm", **I**: 229-231, 1818.

[Notice] On Stones and Clays annually Exported from Cornwall, for the purposes of Architecture, Manufactures, and the Arts, **I**: 231-234, 1818.

Pattison, S R, FGS

On the Carboniferous System in Cornwall, **VI**: 267-275, 1846.

On the Geology of Tintagel district, **VII**: 3-12, 1847.

On some Post-tertiary Deposits in Cornwall, **VII**: 34-36, 1847.

A brief description of the coast of Cornwall, between the Padstow River and Perran Sands, **VII**: 47-52, 1848.

On an isolated patch of Devonian Strata, in the parish of St Stephens by Launceston, Cornwall, **VII**: 63-64, 1848.

On Strata in the parish of Stoke Climsland, Cornwall, containing vegetable fossils, **VII**: 109-110, 1849.

On the Petherwyn Beds, **VII**: 132-139, 1850.

On the Geology of the south coast of Cornwall, **VII**: 208-210, 1852.

A Day in the North Devon Mineral District, **VII**: 223-227, 1854.

Illustrations of the Geology of East Cornwall, from the Boulonnais, **VII**: 246-248, 1854.

Peach, Charles W, of Edinburgh, corresponding member

An account of the fossil organic remains found on the south-east coast of Cornwall, and in other parts of that county, **VI**: 12-23, 1841.

On the geology of part of the parish of Gorran, in Cornwall, **VI**: 51-58, 1842.

On the fossil fishes of Cornwall, **VI**: 79-83, 1843.

On the fossil geology of Cornwall, **VI**: 181-185, 1844.

On the fossil geology of Cornwall, **VI**: 236-237, 1844.

On the fossils of Cornwall, **VI**: 296-300, 1846.

Notice of the discovery of serpentine, and of its associated rocks, in the parish of St Veep, near Fowey, **VI**: 351-352, 1846.

On the fossil geology of Lantivet and Lantick Bays, near Fowey, **VII**: 17-27, 1847.

On the fossiliferous strata of part of the south-east coast of Cornwall, **VII**: 57-62, 1848.

Additions to Cornish geology, **VII**: 100-105, 1849.

On the fossils of the Blackhead Slate Quarry, near St Austell, and on the fossil fishes of Cornwall, **VII**: 121-124, 1850.

Notes on Cornish fossil geology, **VII**: 125-126, 1850.

Notice of the geology of St Pinnock, **VII**: 175, 1851.

A notice of the discovery of land plants and shells in the lower Old Red Sandstone of Caithness, N B, **VII**: 230-232, 1854.

A notice of the discovery of fossils in the limestone at Durness, Sutherlandshire, N B, **VII**: 285-288, 1855.

A note on the fossil flora of the Lower Old Red Sandstone of Wick, Caithness, N B, **VII**: 289-290, 1855.

Remarks on (with a list) some of the organic remains of Cornwall, in the museum of the Royal Geological Society of Cornwall, (1st read to Annual Meeting, Nov 5, 1869) Published **IX**: 49-54, 1875.

On the fossil fish of Cornwall, **IX**: 31-33, 1875.

On the discovery of organic remains in the rocks of Nelly's Cove near Porthalla; and of some curious organic-like masses in a quarry near Hayle, (1st read to Annual Meeting, Nov 5, 1869) Published **IX**: 55-58, 1875.

On traces of glacial action on the Great Cairn near Gorran Haven, Cornwall, (1st read to Annual Meeting 3 Nov 1871, by the Secretary) Published **IX**: 105-108, 1875.

On fossils from the rocks of Cornwall, **X**: 90-97, 1880.

Pearce, Dr Richard, FGS (of Swansea), Bolitho Gold Medal, 1902

Presidential Addresses for 1905; 1906 [See Section 3 for subjects]

Notice of a specimen of killas and spar broken off from the Stones Reef, in St Ives Bay, **VII**: 347, 1860.

Note on chrome iron in the serpentine of the Lizard, (1st read to Annual Meeting 21 Oct 1870) Published **IX**: 99-100, 1875.

Memorandum on pitchblende in Colorado, **IX**: 102, 1875.

Note on pitchblende in Cornwall, **IX**: 103-104, 1875.

A Trachytic boulder [from the Bassick Mine, Colorado], **XII**: 760, 1904.

Notes on the occurrence of pseudomorph of oxide of tin after some unknown mineral from Bolivia, **XIII**: 150-152, 1906.

Penberthy, I

Notice of the discovery of a quantity of pitchblende, at the Providence Mines, near St Ives, **VI**: 106-107, 1843.

Pendarves, E W W

Notice of the native copper of Condorow Mine, **III**: 333-334, 1828.

Pengelly, William, FRS, FGS, Torquay

On the Ichthyolites of east Cornwall, **VII**: 106-108, 1849.

On the Ichthyolites of east Cornwall, **VII**: 115-120, 1850.

Remarks on the geology of the south coast of Cornwall, **VII**: 211-215, 1852.

Observations on the geology of the south-western coast of Devonshire, **VII**: 291-297, 1856.

On the beekites found in the red conglomerates of Torbay, **VII**: 309-315, 1860.

The geographical and chronological distribution of the Devonian fossils of Devon and Cornwall, **VII**: 388-417, 1860.

On the geological age of the Dartmoor granites, **VII**: 419-432, 1865.

On the co-relation of the slates and limestones of Devon and Cornwall with the Old Red Sandstones of Scotland, **VII**: 441-445, 1865.

On the supposed uniform height of contemporary raised beaches, **VII**: 446-448, 1865.

Phillips, F C, MA, PhD, FGS, Bolitho Gold Medal 1962

Metamorphism in South-West England [in] *Present views of some aspects of the geology of Cornwall and Devon*: 185-200, 1964.

Pidwell, S

On the change which takes place in copper pyrites under the influence of a galvanic current, **VII**: 127-131, 1850.

Pisarski, J B, ACSM, DMT

Chemical characteristics of the cements of the Godrevy 10 ft raised beach and of certain deposition pipes in the St Agnes Pliocene deposits, Cornwall, **XIX**: 328-349, 1966.*

Polkinghorne, J P R, AMIMM, Bolitho Gold Medal 1958

Slate mining: Redmoor Mine, Kelly Bray, Callington Counthouse Section (1945), **XVII**: Pt 5, 269-271, 1947.

Kit Hill, Callington, Cornwall, **XVII**: 357-360, 1948.

The Bridford Baryte Mine, **XVIII**: 240-254, 1952.

Tungsten in Cornwall, **XVIII**: 510-525, 1957.

The significance of the variable iron content of the "Wolframites" of the west of England, **XVIII**: 526-534, 1957.*

Polwhele, T R, FGS, Bolitho Gold Medal 1908

Presidential Addresses for 1895; 1896 [See Section 3 for subjects].

Prince, J

An account of the Sark Mine, in the Island of Sark, **VI**: 101-103, 1843.

Punnett, H Macaulay, St Erth

On some peculiar deposits of tin in St Aubyn and Grylls Mine, **VII**: 379-380, 1860.

Punnett, J

On a remarkable disturbance of the strata at Hayle Foundry, **VI**: 305-307, 1846.

Further note **VI**: 356, 1846.

On the zinc and lead mines, and the processes used in smelting the ores at Stolberg and La Veille Montagne, **VII**: 239-243, 1854.

Raffles, T S

On the tin of the Island of Banka, **III**: 247-255, 1828.

Rashleigh, P

An account of the alluvial depositions at Sandrycock, **II**: 281-284, 1822.

Rastall, R H, ScD, MIMM, FGS, Bolitho Gold Medal 1926

Pneumatolysis and ore formation, **XV**: 415-438, 1925.

The zonary structure of the Earth, **XV**: 549-559, 1927.

Rees, B O

Study of Cornish Elvans, with D N Jarvis, **XVI**: 75-76, Table, 1929.*

Richards, -

Note on a submerged forest at Portreath, **XV**: 462, 1925.

Roberts, S

The submarine forest bed at Maenporth, near Falmouth, **XII**: 58-64(2), 1897.

Robson, J, BSc, Bolitho Gold Medal 1946

Hon Editor, *Transactions of RGSC*, c1949-1960

Presidential Address for 1946. [See section 3 for subject.]

The recent geology of Cornwall: a review, **XVII: Pt III**, 132-163, 1945.
 Geology of Carn Brea, **XVII: Pt 4**, 208-221, illus, 1946.
 The structure of Cornwall, **XVII: Pt 5**, 227-246, 1947.
 The geology of the St Ives district, **XVII: Pt 5**, 272-283, 1947.
 Notes on new exposures: (garnetiferous veinstone, Holman's Quarry, Troon),
 veinstones, Castle-an-Dinas, St Columb: (amphibolite, Treviskey, Nr Lanner,
 Redruth), **XVII**: 345-348, 1947.
 The geology of the Land's End Peninsula, **XVII**: 427-455, 1949.
 Cornish Mineral Index, **XVII**: 455-475, 1949.
 Coastline development in Cornwall, **XVIII**: 215-228, 1951.
 Cornish Mineral Index, (Amendments) **XVIII**: 406-410, 1954.
 The Cornish "Greenstones", **XVIII**: 475-492, 1957.
 Geological terms used in S W England, **XIX**: 33-41, 1959.*
 The Cornish "Greenstones", [in] *Present views of some aspects of the geology of
 Cornwall and Devon* 115-130, 1964.

Rogers, Rev J

Observations on the limestone of Veryan and the neighbouring parishes, (Appendix
 to 'notes on the limestone rocks in the parish of Veryan' by S J Trist), **I**: 114-117,
 1818.

[Notice] Vegetable Remains in the Basin at Portleven (sic), **I**: 236-237, 1818.

Observations on the Hornblende Formation in the parish of St Clere, **II**: 218-224,
 1822.

On the serpentine district of Cornwall, **II**: 416-423, 1822.

Notice of wood and peat found below high water-mark on the beach at Maenporth
 in Cornwall, **IV**: 481-483, 1832.

Notice of the serpentine of Pennare, **VI**: 41-42, 1841.

Rogers, J Jope, MP, Penrose

Strata of the Cober Valley, Loe-Pool, near Helston, **VII**: 352-354, 1860.

Remarkable sea-waves, observed in Mount's Bay, Cornwall, April 24th, 1868, **IX**:
 74-77, 1875.

Rogers, W

Note on a polished block of quartzite in the Meneage peninsula, **XIII**: 297-298,
 1909.

The raised beaches and head of the Cornish coast, **XIII**: 351-384, 1910.

Round, E

Raised beaches and platforms of the Marazion area, **XVII: Pt III**, 97-108, 1945.

Rowe, T P

Observations on Balleswidden Mine, **X**: 10-17, 1879.*

Rule, J

[Notes on a] Cavern in Dolcoath Mine, **I**: 225, 1818.

Notice accompanying specimens of opal, from Mexico, **VI**: 353, 1846.

Notice of the discovery of several rounded stones in the lode at South Wheal
 Frances Mine, **VII**: 161-163, 1850.

Rundell, W W

Notice of certain peculiar circumstances in Gwinear Consols and Wheal Seaton
 Mines, **VII**: 37-39, 1847.

Rutley, F

On a specimen of banded serpentinite from the Lizard, Cornwall, **XI**: 239-241, 1890.

Sanderson, J

Hangman's Quarry, Troon, **XV**: 365-366, 1925.

Sandford, K S, PhD, MA, DSc, Bolitho Gold Medal 1934

Extinct Volcanoes and Associated Intrusions in the Libyan Desert, **XVI**: 331-358, plates & figs, 1935.

Scott, P

Recent geophysical studies in South-West England [in] *Present views of some aspects of the geology of Cornwall and Devon*: 25-44, 1964.*

Scourse, J D, MA, PhD, FGS

Late Pleistocene Stratigraphy of North and West Cornwall, **XXII**: Pt 1, 2-56, 1996.

Seager, A F, BSc, PhD, AKC, FGS

Mineralisation and Paragenesis at Dean Quarry, The Lizard, Cornwall, **XX**: Pt 2, 97-113, 1968.

Palaeozoic palaeontology in Devon and Cornwall [in] *Present views of some aspects of the geology of Cornwall and Devon*: 45-86, 1964.*

Setchell, J, JP

Notes on Delabole Slate Quarry, **XVII**: 41-47, 1937.
The slate industry, **XVII**: 410-426, 1949.

Sewel, E B

The Geology of Prah Sands, (Abstract) **XVI**: 278, 1933.

Seymour, George, jun

On the occurrence of tin in an elvan course at Wheal Jennings, (1st read to Annual Meeting 27 Oct 1876) Published **IX**: 185-195, 1877.

Sharkawi, M A H El see under **El Sharkawi, M A H****Shrimpton, G J, BSc, ACSM, AMIMM, FGS**

Co-editor, *Present Views of Some Aspects of the Geology of Cornwall and Devon*, 1964.

Co-editor, Transactions of the RGSC, **Vols XX-XXII (10 parts)**.

Simmons, W P, AIMM

The wind-blown sand of Lelant, and cementation of wind-blown sand at the Point, Lelant, **XV**: 459-461, 1925.

Note on pillow lavas at Port Isaac, Cornwall, **XVII: Pt 4**, 192-193, 1946.

Simpson, Brian, MSc, University College, Swansea

The shore sands of Cornwall and Devon from Land's End to the Taw-Torridge estuary, **XVII: Pt 1**, 13-40, 1937.*

Smith-Woodward, A, FRS, Bolitho Gold Medal 1916

On some new specimens of *Pteraspis Cornubica* from the Devonian of Lantivet Bay, **XII**: 229-232, 1899.

On a cornu of *Cephalaspis Carteri* from the Lower Devonian of Looe, **XII**: 431-433, 1901.

Smith, Augustus, MP, FGS, Tresco Abbey, Scilly

On the chalk flints and green-sand fragments, found on the Castle Down of Tresco, one of the islands of Scilly, **VII**: 343-344.

Presidential Addresses for 1859; 1860; 1863 [See Section 3 for subjects].

Smith, W

On the occurrence of metallic ores with garnet rock; Note illustrating a series of copper ores from Belstone Consols, **IX**: 38-45, 1875.

Smyth, Sir Warington Wilkinson, MA, FRS, FGS

President from 1872-1879 and 1884-1889 [See Section 3 for subjects covered.]

Presidential Addresses

On the iron mines of Perran, **VII**: 332-335, 1857.

On the Occurrence of Feather Ore (Plumosite) in Foxdale Mine, Isle of Man, **X**: 82-89, 1880.

The Duchy Peru Lode, Perranzabuloe, Illus, **X**: 120-131, 1882.

Lady Warington Smythe, Bolitho Gold Medal 1905, in honour of her husband's many contributions to the Society.

Solly, R H, FGS

Apatite from Levant Mine, Cornwall, **X**: 240-244, 1886.

Somervail, Alexander

On the Occurrence of Volcanic Tuffs, Breccia, etc., in the Meneage district, Illus, **X**: 189-203, 1885.*

The origin and relations of the Lizard rocks, **XI**: 536-543, 1894.

On the probable age of the Lizard rocks, **XI**: 662-668, 1895.

On the probable causes of the seeming absence of Palaeolithic Man from Cornwall **XII**: 167-173, 1898.

Spalding, Adrian, MA, PhD, FRES, FLS, MIEEM

The value of abandoned mined sites for wildlife: the triumph of nature over our industrial past, **XXIII**: 4-15, 2014.

Squire, Lovell, jun of Falmouth

Some observations on the Magnesite of Silesia, (1st read to Annual Meeting 5 Nov 1869) Published **IX**: 59-70, 1875.

Stanley, G J, BSc, PhD

The Occurrence, Nature and Genesis of Wood Tin in South-West England, **XXI**: Pt 4, 153-212, 1987.*

Stephens, F J, FGS, Bolitho Gold Medal 1919

Presidential Addresses for 1924, 1925. [See section 3 for subjects]

On some remarkable contortions of rocks at Rosemullion Head, **XI**: 544-550, 1894.

On some Manilla Andesites, **XI**: 551-552, 1894.

Some notes on the Kergilliack elvan, **XI**: 674-679, 1895.

On a supposed resemblance between the occurrence of native copper in the Lake Superior and Lizard areas, **XI**: 680-683, 1895.

Some geological notes for 1895 [on radiolarian chert beds of South Cornwall], **XII**: 87-88, 1896.

Abstract of a paper on 'The Morte slates as described by Dr Hicks', **XII**: 47-48, 1897.

On an altered ashbed at Penryn, **XII**: 49-57, 1897.

Recent discoveries of gold in West Cornwall, **XII**: 241-257, 1899.

Alluvial deposits in the lower portion of the Red River valley, near Camborne, **XII**: 324-325, 1900.

The application of so-called "Rare" metals to modern commercial use, **XIII**: 466-479, 1911.

Recent coast erosion at Portscatho, **XIII**: 530-534, 1912.

A report on accessible minerals of war-time value in the west of England, **XV**: 219-237, 1918.

Notes on the mining district between Camborne and Redruth north of the main road, **XV**: 286-301, 1919.

Notes on some foreign granites and gneisses, **XV**: 297-309(2), 1925.

Tribute to the late Mr. Howard Fox, FGS, **XV**: 390-394, 1925.

Steuart, D S Spens

The excess profits tax and its effect upon the future of the mining industry, **XV**: 161-185, 1917.

Stone, M

The Granitic rocks of South-West England [in] *Present views of some aspects of the geology of Cornwall and Devon*: 131-184, 1964.*

Stuart, Alan, MSc, FGS, University College Swansea

Treloar, T

Notice of a vein containing diamonds, near Tijuco, in Brazil, **VII**: 298-299, 1856.
Notice of an issue of inflammable gas in the Morro Velho Gold Mine, Brazil, **VII**: 345-346, 1856.

Tremenheere, G B

Report on the tin of the Province of Mergui, in Tenasserim, in the northern part of the Malayan peninsula, **VI**: 68-75, 1842.

Tremenheere, H Seymour, London, FRS

Presidential Addresses for 1868; 1869, 1870; 1871 [See Section 3 for subjects]
Comments on Epeirogenic Movements, **IX**: 5-21, 1872.

Tremenheere, S

Notice respecting the lead and copper ores of Glen Osmond Mines, three miles from Adelaide, South Australia, **VI**: 348-350, 1846.

Trist, S J

Notes on the limestone rocks in the parish of Veryan, **I**: 107-113, 1818.

Tweedy, W M

Notices of the trap veins and limestone rocks of the Towan Head, St Columb Minor, **VII**: 53-56, 1848.

Tyack, William

On a Deposit of Quartz Gravel at Blue Pool in Crowan, (1st read to Annual Meeting 29 Oct 1875, by C Le Neve Foster) Published **IX**: 177-181, 1876.

Tylor, A, FGS

On the Ancient Metallurgy of Cornwall (Abstract), **X**: 187-188, 1884.

Ussher, W A E, FGS, Bolitho Gold Medal, 1903

On the Recent Geology of the Cornish Coast near Padstow, (Abstract, Illus), **X**: 58-62, 1879.

Pleistocene Notes on the Cornish Coast between Plymouth and Looe, **X**: 63-69, 1880.

The Devonian Rocks between Plymouth and East Looe, Illus, **X**: 70-81, 1880.

The Devonian Rocks as described by De la Beche, interpreted in accordance with recent researches, **XI**: 273-326, 1891.

Vivian, Sir Arthur Pendarves Vivian, JP, MP, Warden of the Stanneries

Presidential Addresses for 1880; 1881 [See Section 3 for subjects covered].

Vivian, John Henry (1785-1855) FRS, Welsh industrialist

Observations on the processes for making the different preparations of arsenic, which are practised in Saxony, and on those for preparing smalt or cobalt, as pursued in Bohemia, **I**: 60-70, 1818.

A sketch of the plan of the mining academies of Freyberg and Schemnitz, **I**: 71-77, 1818.

Remarks on the Salt Mines of Wielitska in Poland, and of Salzburg in Germany, **I**: 154-167, 1818. [Communicated by letter to J A Paris]

The mineral vivianite ($\text{Fe}_3(\text{PO}_4)_2 \cdot 8(\text{H}_2\text{O})$) is named in his honour.

Vivian, W

Observations on the mining district of Sonora, Tuolumne County, California, **VII**: 216-219, 1852.

Observations on the gold fields of the Pacific and their probable extent, **VII**: 327-331, 1857.

Constitution and structure of slate, **VII**: 339-342, 1860.

On Microscopic Mineralogy and Geology, (1st read to Annual Meeting 5 Nov 1869) by W Vivian, of Mwyndy, near Ponty Pridd, South Wales.

Waters, Ronald S, MA, Bolitho Gold Medal 1964

Pseudo -bedding in the Dartmoor granite, **XVIII**: 456-462, 1954.

Weller, M R, MA

The erosion surfaces of Bodmin Moor, **XIX**: 233-242, 1962.

Wellington, William

Notice on Mount Bischoff, Tasmania, (1st read to Annual Meeting 30th Oct 1874, by the President) Published **IX**: 161-162, 1875.

Whitley, The Revd D Gath, FGS, Bolitho Gold Medal, 1909

Presidential Address for 1917, 1918 (See section 3 for subjects.)

A plea for the study of Cornish quaternary geology, **XII**: 761-772, 1904.

The earth-cliffs at Godrevy, **XIII**: 135-149, 1906.

On the occurrence of trees and vegetable remains in the stream tin in Cornwall, **XIII**: 237-256, 1908.

The angular quartz drift of Cornwall, **XIII**: 329-350, 1910.

The earliest traces in ancient history of the tin trade of Western Europe, **XIII**: 515-529, 1912.

The early tin trade of Cornwall according to Strabo's geography, **XIII**: 595-610, 1914.

The Ictis of Diodorus in the light of modern theories, **XV**: 55-70, 1915.

Pleistocene in Cornwall, **XV**: 204-211.

Cornish quaternary deposits in the light of Siberian alluvial formations, **XV**: 143-60, 1917.

Presidential Address for 1918

Whitley, Nicholas, CE

Remarks on the Minor Fractures of Rocks, Illus by specimens, **VI**: 104-105, 1843.

The Effects of Geological Structure, and the Action of the Waves on the Geographical Outline of Cornwall, **VII**: 220-222, 1852.

On Recent Deposits at the Mouth of the River Taw, etc. **VII**: 236-238, 1854.

On the Strike of the Slate-beds in Cornwall and Devon, **VII**: 336-338, 1857.

On the Effects of the Granite-joints on the Physical Geography of Penwith, **VII**: 349-351, 1860.

On the Geology of Lundy Island, (1st read to Annual Meeting 5 Nov 1869) Published **IX**: 71-73, 1875.

The Geology of Penzance Bay and its Shores, (1st read to Annual Meeting 3 Nov 1871, by his son Daniel Whitley) Published **IX**: 109-113, 1875.

The Evidence of Glacial Action in Cornwall and Devon, Illus, **X**: 132-141, 1882.

A Geological note [on Excavations in Penzance], **XI**: 242, 1890.

Willey, E J B, DSc

Possible action of Radioactive Materials upon the Flora and Fauna of Cornwall, **XIX**: 312-320, 1966.

Williams, C L

The Newquay mica traps, **XV**: 359-363, 1925.

Williams, D

On granite veins, **VI**: 64-67, 1842.

On the killas group of Cornwall and South Devon; its relations to the subordinate formations in Central and North Devon and West Somerset; its natural subdivisions; and its true position in the scale of British strata, **VI**: 122-138, 1843.

On an important slate term in the killas series of Cornwall and South Devon, not sufficiently adverted to in my former classification of that group as communicated to the Society in 1843, with additional proofs in confirmation of the true geological position of the Ocrynian or Devonian systems, **VI**: 334-347, 1846.

On the several volcanic interferences, which alternate and are concurrent with, and eventually supersede, the depositions of the Old Red Sandstone of the British Isles, **VII**: 65-68, 1848.

Williams, James

Notice on mineral lodes, (Abstract of 'Remarks on Mineral Lodes') (1st read to Annual Meeting 29 Oct 1875) Published **IX**: 184, 1876.

Wilson, A C, BSc, PhD

Stratigraphy and Sedimentation in West Cornwall, **XX**: Pt 4, 246-259, 1974.*

Witherick, M E

Raised beaches and marine geomorphology [in] *Present views of some aspects of the geology of Cornwall and Devon*: 283-310, 1964.*

Worth, R Hansford, M Inst CE, FGS

Beaches and the sea-bed, **XVI**: 265-277, 1933.

Worth, R H, FGS, Bolitho Gold Medal 1932

Notes on the Geology of the South-east Border of Cornwall, **X**: 103-106, 1880.

Notes on some Teeth from a Stonehouse bone cave, **X**: 165-168, 1883.

On Trowlesworthite and certain Granitoid Rocks near Plymouth, **X**: 177-179, 1884.

The Raised Beaches on Plymouth Hoe, Illus, **X**: 204-212, 1885.

The Cornish Trias, Illus, **X**: 229-239, 1886.

On an unmapped exposure of serpentinous rock in Whitsand Bay, **XI**: 51-55, 1887.

On the discovery of human remains in a Devonshire bone cave, **XI**: 105-112, 1888.

Some detrital deposits associated with the Plymouth limestone, **XI**: 151-162, 1889.

Additional notes on the Cornish Trias, **XI**: 338-346, 1891.

The succession of the Plymouth Devonians, **XI**: 381-389, 1892.

The age and history of the granites of Devon and Cornwall, **XI**: 480-486, 1893.

Wright, L W

Raised beaches and marine geomorphology [in] *Present views of some aspects of the geology of Cornwall and Devon*: 283-310, 1964.*

Wünsch, E A

On raised beaches, **XI**: 605-610, 1895.

On a logan stone in the course of formation at St Michael's Mount, **XI**: 669-673, 1895.

Zaghloul, Z, MSc

Uraninite concentrate from South Crofty Mine, Camborne, Cornwall, **XIX**: 113-115, 1960.*

The distribution of alpha-radioactivity in Lamorna granite, Land's End, **XIX**: 116-121, 1960.
